

# LIVING IN NERJA

This booklet has been produced by the Foreigners Department of the Nerja Town Hall to give general information on items of interest for foreigners who live or have a property in Nerja.

Before buying a house, a car, or living in Nerja, do not hesitate to visit our department where we can advise you on what you need to do. We also offer general information regarding taxes, Residence Card, Social Security, Taxation, etc.

The Foreigners Department is on the ground floor of the Nerja Town Hall, providing advice in English, French and Italian. For any inquiries you can consult the head of this department, Jacky Gomez, every Monday and Thursday between 10:00 and 13:30 or phone 95 254 8401.

Also the Councillor of the Foreigners Department, Emma Hall, will be pleased to help you with special items regarding your community or area. Appointments can be made at the department.

The Foreigners Department is on the ground floor of the Town Hall next to the main entrance. We have the pleasure to attend all foreigners who have any queries or need general information on any items regarding living or having a property in Nerja, residence card, NIE number, taxes, inland revenue, traffic, medical health service, etc...

For any information, you can also phone any other day of the week during the morning (preferably not on days of attention to the public).
